Workshops

My workshops consist of interactive and hands-on exercises to help build on existing capacities and strengths. Over the years, the importance of balancing good solid content and experiential learning has become critical to my workshops. Discussion, video, role play, and collaboration invite participants to explore ways of being helpful, playful, and solution-oriented.

Call 435-787-4517 to schedule a personalized training.

Training topics include:

Mental Health Clinicians

- Foundations of solution-focus practice
- Solution-focused therapy with children and families
- Creative interventions with children & youth
- SFBT with mandated clients
- SFBT and trauma
- Solution-focused play therapy

Workplace Solutions

- Solution-focused team building
- Building solutions in the workplace
- Working on what works in business
- Fostering a respectful and positive work
- Managing critical relationships

Parenting and Families

- Bouncing forward: Tips for raising resilient children
- Building cooperative relationships
- Conversations gone right: Tips for talking with children around difficult topics

“ Very fun session,
great use of variety
of teaching techniques ”

-Tracy Todd, Executive
Director at AAMFT, 2014

“ ...pleasant and
professional right
from the start. ”

-Karen Bosworth, Knowledge
Exchange Manager at
SafeGuards, 2016

“ Pam’s training was interactive,
engaging and left all of us
wanting to learn more about
solution-focused work with
families and children ”

-Chickasaw Nation Family Services, 2013
